COROWA - WODONGA

INTRODUCTION

At Tobin Brothers, we recognise that a funeral is an important way for families and communities to celebrate the life, culture and interests of those we have loved. Assisting your family with arranging a funeral requires the input of a team of caring, creative and professional staff and often involves many days of preparation and planning, as well as several hours of involvement from a number of staff on the day of the funeral itself. We are committed to guiding you through this difficult time and trust our service and care meet your expectations of us.

This booklet is provided for your information in accordance with the Funerals Act 2006. In order to provide you with the best advice possible and ensure that a funeral meets your individual family requirements, we strongly recommend that you discuss your funeral needs with one of our professionally trained staff in one of our conveniently located Chapels, at your home at no obligation or cost, or via telephone to our Funeral Advice Line: **13 19 34**.

FREQUENTLY ASKED QUESTIONS

What is the role of the Funeral Planner?

In much the same way that a wedding planner coordinates and oversees all aspects of a wedding, our Funeral Planners will coordinate the practical aspects of a funeral, such as care of the deceased, coordination of funeral bookings and assistance with celebratory and personalisation aspects such as music and photographs that reflect the life of the deceased.

What is the cost of a funeral?

This question is difficult to answer without an explanation and understanding of the many personal choices which are made throughout the process of arranging a funeral. There are generally 3 main components associated with the cost of a funeral: (see pages 2 & 3 for a more detailed explanation)

1. Professional Service Fee
2. Third Party Fees
3. GST

What are the terms of payment & options?

Payment of third party fees is requested prior to the date of the funeral. The final account is posted within a few days of the funeral. Payment is due within 10 days from the receipt of the account. We appreciate that for some families payment of the final account may present some difficulties and therefore we may agree on a payment plan in some instances.

Choosing a coffin or casket is an important aspect of arranging a funeral. At Tobin Brothers, we recognise that your choice will depend on many things, including:

- The wishes or personality of the person who has died.
- The shape, design or colour of the coffin/casket.
- Your family's religious or cultural background.
- Whether the funeral is a burial or cremation.
- Budgetary or environmental considerations.
- A preference for either a contemporary or more traditional style.

We therefore offer a wide range of coffins and caskets which vary in many ways, including their shape, construction, design, workmanship, colour and other components, such as the handles and drapery. To make a choice that best meets your family's needs, our coffins and caskets are grouped into the following categories:

SOLID TIMBER COFFINS

COMPOSITE BOARD COFFINS

COSTS NOT LISTED

As it is impossible for Tobin Brothers to anticipate or estimate the individual requests and requirements of all families that we serve, from time to time it may be appropriate for fees not specifically listed in this brochure to be charged.

Examples of this may be an additional Professional Service fee for funerals with a high degree of organisational complexity and Tobin Brothers' involvement, or for special merchandise requirements.

Such fees will be fully discussed prior to the funeral, once the nature and extent of these additional fees are known.
